A.I.U.F.F.A.S.S Congress

18th – 20th May 2017
Lyon Fourvière Hotel
23 rue Roger Radisson, 69005 LYON

In the heart of Lyon, in **the district of the “Presqu’île”** (the area between the two rivers), we invite you to an unmissable visit of Lyon and its traditions...

“L’Atelier de Soierie” welcomes you to a demonstration of Lyonnaise know-how: printing on the frame and hand painting on silk velvet.

The Museum of Fine Arts of Lyon is located next to the place des Terreaux and the Lyon City Hall in an ancient Benedictine abbey, the monument of Saint-Pierre-les-Nonnains, and better known as St. Peter's Palace.

The **Flowers fair**, inside the Museum of Fine Arts, was created in 1815 to inspire Lyonnais silk manufacturers and to provide designs to the Silk Manufacture “La Fabrique de la *soie*”.

“Les Terrasses Saint Pierre” . Restaurant of the Museum

To get to **the heart of the weavers' district called the “Croix-Rousse”**, a **little tram-train** runs down the slopes of this atypical neighborhood. You will discover the hill of “*Canuts*” (*historical silk weavers*) from a different perspective, leaving the beaten track.

Last stop: the **“Maison des Canuts”** where you are invited to discover five centuries of Lyon's silk industry.

“Maison des Canuts” is organizing a **Workshop** to personalize your silk scarves.

We will send you the silk scarves after the congress!

A.I.U.F.F.A.S.S Congress

Saturday 20th May, 10:00 – 16:00

18th – 20th May 2017

Lyon Fourvière Hotel

23 rue Roger Radisson, 69005 LYON

The city of Lyon has been built over 2000 years, and is still built with respect for successive epochs: it is one of the reasons for its classification as a world heritage of Unesco.

The hill of Fourvière: a view over 2000 years of history!

Lyon, heir to the rich Gallo-Roman heritage of Lugdunum, offers an unmissable historical rendezvous on the hill of Fourvière.

In front of the Fourvière basilica, this exceptional archaeological site testimony of the Gallo-Roman era.

Climbing on the hill provides a better understanding of the city and its construction. In addition, it is an incredibly peaceful place.

The district of the old Lyon

The first safeguarded area in France since 1964, and one of the largest Renaissance district in the world (24 ha).

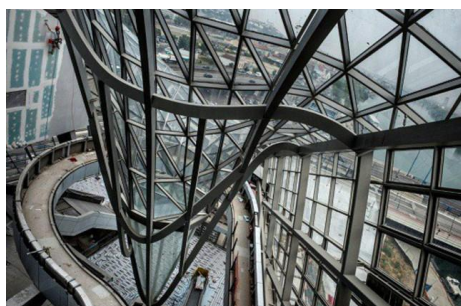

Discovering the *Musée des Confluences*

From the museum square to its center, passing through its different levels, explore an area of culture and science.

Architectural work astonishing, innovative concept, the "Musée des Confluences" does not leave indifferent.

We propose you a guided tour to discover this metallic colossus. The Crystal, the skylight, the four rooms of the permanent exhibition... Everything is a source of astonishment!
